Tower Systems Health Food / Wholefoods Shop Software Q&A.

Australian made. Australian supported.

Here are answers to some of the questions we have been asked about our Health Food / Wholefoods Shop Software over the years

When you are ready, we'd love to show you our Health Food Shop / Wholefoods Software and through that show you answers to other questions you have.

Does the software let me sell at a special price to gym members or members of other local clubs? Yes.

Does the software let me share health tips and advice on receipts? Yes.

Can I sell products by weight? Yes.

Does the software connect to scales? Yes.

Can I use the software to offer bulk purchase pricing? Yes.

Can I label my own products? Yes.

Can I track purchases by people recommended to my shop? Yes.

I buy some items in bulk and re-package them for retail. Can the software manage this? Yes.

Does the software let me track customers based on what they purchase? Yes.

Can I include product care information on receipts? Yes.

Can I look-up historical records for a specific customer? Yes.

Can the software track special or one-off orders for customers? Yes, from the moment the order is placed.

Can I create a quote for a customer and manage this? Yes.

Can I track / manage quotes? Yes.

Can I manage selling second-hand items? Yes.

Can I group items together to sell in a pack or bundle? Yes, it's easy to create packs using the software.

I sell items with colour, size and style, can the software handle this? Yes.

Can I integrate the software with my suppliers? Yes. We have many customers importing stock files and invoices. If you want to provide a supplier a data feed of sales of their product, our software can do this too.

Does the software connect with my website? We partner with Shopify, Magento and WooCommerce and offer direct links to these.

Can I email receipts? Yes.

Can I track where my customers come from? Yes.

Do I have to pay for software on additional computers in my business? No.

Does the software handle LayBys? Yes.

Can I connect with my EFTPOS terminal? Yes. We have a direct link to Tyro and through Linkly we connect to all major banks.

Can I use my existing hardware? Yes, as long as your hardware meets our minimum standards.

Can I use my existing data with the software? Yes. We'd like to check your data to be sure. We will advise what can be safely brought across.

Does it integrate with Xero? Yes.
