Tower Systems Newsagency Management Software Q&A.

Australian made. Australian supported.

Here are answers to some of the questions we have been asked about our Newsagency Software over the years

When you are ready, we'd love to show you our Newsagency Software and through that show you answers to other questions you have.

I am with Newspower, can I load their catalogue into the software? Yes.

I am with nextra, is there any barrier to me using this software? No, we have many nextra customers.

Can I load my GNS invoices? Yes.

Does the software link with XchangeIT? Yes.

Does the software link for TheLott ticket sales? Yes.

Can I scan magazine returns using the software? Yes.

Can I use the software to manage magazine putaways? Yes.

Can I use the software to track magazine club card stamps? Yes.

Can I load electronic invoices from card companies, Henderson, Simson, Hallmark and Sands? Yes.

Can I report on card performance at the category and segment level? Yes.

Does the software let me manage my own time-based catalogue pricing? Yes.

Can I sell gift cards for my business? Yes.

Does the software support the federal government cashless welfare card? Yes.

Can I set an age check on age restricted items? Yes.

I sometimes sell from a market stall. Can the software do this? Yes, our Retailer Roam™ option manages selling from anywhere.

Does the software handle club member pricing? Yes, this can be a great marketing tool, getting local community group members support the business and fundraising at the same time.

Does the software have a facility for encouraging infrequent shoppers to spend more? Yes, it's proven to work well at achieving this.

Does the software let me buy in bulk and break up to retail packs? Yes.

Does the software produce WAS / NOW price labels? Yes.

Can you sell at fractional quantities? Yes. This works for selling by weight or by measure.

Can you manage quotes? Yes, you can create quotes and then turn them into sales if they proceed.

Can you reach out to customers based on past purchases? Yes, you can select customers for marketing past on a range of criteria, including past purchases.

Does the system handle account customers? Yes, you can setup and manage customer accounts.

Does the system produce invoicing and statements? Yes, these can be printed or emailed.

Does the software track product serial numbers? Yes. You have a couple of different ways you can do this.

I sell clothing, can I manage this by colour, size and style? Yes.

Does the software connect with my website? We partner with Shopify, Magento and WooCommerce and offer direct links to these.

Can I email receipts? Yes.

Can I track where my customers come from? Yes.

Do I have to pay for software on additional computers in my business? No.

Can I connect with my EFTPOS terminal? Yes. We have a direct link to Tyro and through Linkly we connect to all major banks.

Can I use my existing hardware? Yes, as long as your hardware meets our minimum standards.

Can I use my existing data with the software? Yes. We'd like to check your data to be sure. We will advise what can be safely brought across.

Does it integrate with Xero? Yes.
